

## Imagine Total Freedom...

### MobilLogic® Makes It Possible!

- Scalable Cloud-based Filing Solution
- Secure Mobile Access, 24-7
- Redundant, Daily Offsite Backups
- Free Online Training
- Reduce Downtime and Cost of Staff Turnover

File It **NOW**... **FIND IT** Later. MobilLogic® is a revolutionary cloud-based filing system that is adaptable and HIPAA compliant. Designed to make it simple to locate any document or item whether digital or physical, it gives you instant access to documents, information, inventory, and more. And with recurring reminders, you can file it and forget it. Keep your paper and choose what to digitize. Maximum benefits with minimal investment – that's the extra value in MobilLogic®.

#### GOT QUESTIONS? WE HAVE ANSWERS!

**1. Q: Do I Have To Scan My Paper To Use The System?**

**A: No**, keep your paper in the file cabinet and "file" its location and your electronic information together at the same time. Save hyperlinks to webpages, word documents, video files, and date/time stamped notes all in the same place. File It **NOW**... **FIND IT** Later.

**2. Q: Where is the data stored? Is it secure??**

**A:** LeeLogic™, Inc. has partnered with Rackspace, Inc. – one of the world's leading providers in managed servers. Our solutions are HIPAA compliant. All data is backed up 4 times daily and stored in multiple vault locations. In the event you need your data restored, contact support.

View the facility here:

**3. Q: What if my staff changes frequently?**

**A:** MobilLogic® is perfect for you. With **FREE** online training and easy to use system, staff turnover is no longer

a problem. What past employees have filed or stored will be easily found by anyone with authorized access to the system. Even if it's in a box in a storage room off-site, MobilLogic® will not "lose" your important information!

**4. Q: Will it work with our Computer Systems and Network?**

**A:** As a secure cloud-based office organizing solution, MobilLogic® works with Macs, PCs, and Mobile Devices. There is no software to install and therefore, no conflicts with your systems or software. What's more... there are **NO IMPLEMENTATION COSTS!**

**5. Q: How long will it take to get set up and start using the system?**

**A:** Sign up now and begin using MobilLogic® immediately. There's no waiting period, no complicated implementation, and no software to install. MobilLogic® is available to you at any time.

# Enjoy Flexible Financial Control...

## MobilLogic® Makes It Possible!

- Flexible Concurrent Licensing
- Add or Remove Licenses as Needed
- Free Online Training
- Low Monthly Rates
- You Control Your Investment

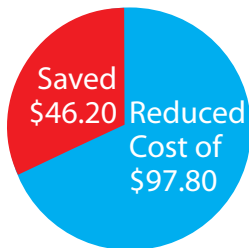

When you need additional licenses, add them for a day, a week, or longer. Use them as long as you need and remove them when you are ready. With MobilLogic® you are in **TOTAL CONTROL** of your investment.

MobilLogic® billing is simple. You are only billed for the number of concurrent licenses you subscribe to daily during each billing period. You may change your concurrent license count once per day.

### FINANCIAL FLEXIBILITY SAMPLE

“Company A” needs 4 concurrent licenses for the **entire billing period**. Company A will be billed:  
 4 licenses \* \$25 per license = **\$100 for the billing period**.

“Company B” needs 3 licenses most of the month, but needs additional licenses for inventory and payroll activities near the end of the month. They need **3 concurrent licenses** for the first 20 days of the billing period and **6 concurrent licenses** for days 21 to 30.

ORIGINAL COST=\$144

“Company B” will save by paying for their additional licenses only when they need them.

Company B will be billed:

(3 licenses \* 0.83 per day \* for 20 days = \$49.80) +

(6 licenses \* 0.80 per day \* for 10 days = \$48) = **Totaling \$97.80** for the billing period.

By using flexible concurrent licensing, Company B **saved \$46!**

(6 concurrent licenses for the full month cost \$144)

**FREEDOM. FLEXIBILITY. SECURITY. MobilLogic® MAKES IT POSSIBLE!**
